

Endovascular Advances:

A HANDS-ON PRECEPTORSHIP PROGRAM

ACTIVITY PURPOSE

To provide physicians hands-on training in the diagnosis and treatment of peripheral vascular disease (PVD). These 2-day programs will allow attendees to gain exposure to imaging, angioplasty, atherectomy, thrombolytic therapy, and stenting.

PROGRAM FACULTY

Arthur J. DeMarsico, DO

Richard Wertz, MD

Altoona, PA

Michael Silva, MD

Galveston, TX

Peter Lin, MD

Houston, TX

Gino Sedillo, MD

Bradenton, FL

Scott Stevens, MD

Knoxville, TN

REGISTRATION

To register for a 2-day program, please contact **Patricia Clow** at **The Academy for Continued Healthcare Learning** at (877) 444-8435 x153 or pclow@achlcme.org.

Your participation must be confirmed in writing, as all sites will require an application for temporary privileges.

INTENDED AUDIENCE

These activities are intended for interventional cardiologists, vascular surgeons, and interventional radiologists looking to expand their hands-on experience in the treatment of PVD.

LEARNING OBJECTIVES

Upon conclusion of this activity, participants will

- Analyze diagnostic and therapeutic options for patients with peripheral vascular disease (PVD), including carotid, lower extremity, and renal artery diseases
- Describe the nuances of vascular anatomy as it relates to case selection, disease states, and access site selection
- Discuss proper device selection and procedural techniques
- Explain identification and management strategies for complications following treatment
- Develop plans for follow-up patient care

ACCREDITATION

Accreditation is provided by The Academy for Continued Healthcare Learning.

The Academy for Continued Healthcare Learning is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Academy for Continued Healthcare Learning designates this educational activity for up to a maximum of **19.0 AMA PRA Category 1 Credit(s)**[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.
